

Blue Badge Application Form - Guidance Notes

An organisational badge may be issued to organisations whose responsibility includes the care and transportation of disabled people who would themselves meet the eligibility criteria for a badge should they apply individually. Eligible disabled persons are defined as a person who is over two years old and:

- receives the Higher Rate of the Mobility Component of the Disability Living Allowance; or
- meet a 'moving around' descriptor for the Mobility Component of Personal Independent Payment(PIP); or
- is registered blind (severely sight impaired); or
- receives a War Pensioner's Mobility Supplement; or
- receives a lump sum benefit under the Armed Forces and Reserved Forces (Compensation) Scheme within tariff levels 1-8 (inclusive) and has been assessed and certified as having a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking; or
- drives a vehicle regularly, has a severe disability in both arms and is unable to operate, or has considerable difficulty in operating, all or some types of parking meter; or
- has a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking.

In addition, eligibility covers children under the age of three who fall within either or both of the following descriptions:

- a child who, on account of a condition, must always be accompanied by bulky medical equipment which cannot be carried around with the child without great difficulty;
- a child who, on account of a condition, must always be kept near a motor vehicle so that, if necessary, treatment for that condition can be given in the vehicle or the child can be taken quickly in the vehicle to a place where such treatment can be given.

Organisational Badges will therefore only be issued to an organisation which both:

- Cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and
- Has a clear need for an organisational badge rather than using the personal Blue Badges of people it is transporting.

In all circumstances, badges will be supplied to organisations or departments rather than to individual staff members.

All employees of the organisation who will be using the badge should be reminded that they must only use the badge for the purposes of transporting disabled people in their care who meet one or more of the eligibility criteria for a badge. These employees should be reminded that if they use the badge to take advantage of the concessions when there are no passengers in the vehicle who are eligible for a badge they will face a fine of up to £1,000.

It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge. Such operators are, of course, able to use an individual's Blue Badge when carrying that person as a passenger.
