Q. True or False?

It’s ok to throw rubbish on the floor if there is no bin

A. False!

Keep hold of it until you find a bin

Reduce

Q. Why is it good for the environment to reduce excess packaging?

A. It means there’s less waste to be sorted & less energy used

Q. True or False?

Plastic bottles are good for the environment

A. False!

They take around 450 years to break down & cause danger to wildlife

Reuse

Q. Name at least two ways to give items away

- A.
- Put them on Freegle
 - Run a swapping event
 - Give them to a charity shop

Q. True or False?

Wasting food means farmers can work less

A. False!

It means all their work was for nothing, as you didn’t eat the food
