Alteration description

4. A description of the proposed alteration and in the case of special school proposals, a description of the current special needs provision.

The proposal is to permanently expand the school to a maximum capacity of 210, by increasing the admission limit at the school from 23 to 30. The school will gradually increase to its maximum capacity by accepting increased reception intakes from 1st September 2012. Details of any building works or remodelling of existing buildings required to accommodate the additional children will be agreed with the school and subject to the normal planning permission process. The higher year groups already on roll at the school will not increase in size.

School capacity

5.—(1) Where the alteration is an alteration falling within any of paragraphs 1 to 4, 8, 9 and 12-14 of Schedule 2 (GB proposals)/paragraphs 1-4, 7, 8, 18, 19 and 21 of Schedule 4 (LA proposals) to The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended), the proposals must also include —

- (a) details of the current capacity of the school and, where the proposals will alter the capacity of the school, the proposed capacity of the school after the alteration;

Current capacity of the school is 154.

The proposed new capacity of the school is 210.

- (b) details of the current number of pupils admitted to the school in each relevant age group, and where this number is to change, the proposed number of pupils to be admitted in each relevant age group in the first school year in which the proposals will have been implemented;

The admission limit for all year groups is currently 23.

The proposal to expand the school will change the admission limit to 30 for reception year groups entering the school on after 1st September 2012.

- (c) where it is intended that proposals should be implemented in stages, the number of pupils to be admitted to the school in the first school year in which each stage will have been implemented;

The increase in the admissions limit will apply permanently from 1st September 2012.

- (d) where the number of pupils in any relevant age group is lower than the indicated admission number for that relevant age group a statement to this effect and details of the indicated admission number in question.

- e) Consultation documents were provided by post or e-mail to the above list of consultees. They were also available to the public via local libraries, and via the education Cumbria County Council website.

Project costs

12. A statement of the estimated total capital cost of the proposals and the breakdown of the costs that are to be met by the governing body, the local education authority, and any other party.

The current estimate for the cost of the associated building work is £300,000. This is subject to confirmation and will be funded by the local authority.

13. A copy of confirmation from the Secretary of State, local education authority and the Learning and Skills Council for England (as the case may be) that funds will be made available (including costs to cover any necessary site purchase).

The local authority will fund the work through the Basic Need Grant and Prioritised Capital Maintenance Grant.

Age range

14. Where the proposals relate to a change in age range, the current age range for the school.

Not applicable.

Early years provision

15. Where the proposals are to alter the lower age limit of a mainstream school so that it provides for pupils aged between 2 and 5—

- (a) details of the early years provision, including the number of full-time and part-time pupils, the number and length of sessions in each week, and the services for disabled children that will be offered;

Not applicable.

- (b) how the school will integrate the early years provision with childcare services and how the proposals are consistent with the integration of early years provision for childcare;

Not applicable.

- (c) evidence of parental demand for additional provision of early years provision;

Not applicable.

(d) assessment of capacity, quality and sustainability of provision in schools and in establishments other than schools who deliver the Early Years Foundation Stage within 3 miles of the school; and

Not applicable.

(e) reasons why such schools and establishments who have spare capacity cannot make provision for any forecast increase in the number of such provision.

Not applicable.

Changes to sixth form provision

16. (a) Where the proposals are to alter the upper age limit of the school so that the school provides sixth form education or additional sixth form education, a statement of how the proposals will—

- (i) improve the educational or training achievements;
- (ii) increase participation in education or training; and
- (iii) expand the range of educational or training opportunities for 16-19 year olds in the area;

Not applicable.

(b) A statement as to how the new places will fit within the 16-19 organisation in an area;

Not applicable.

- (c) Evidence —
- (i) of the local collaboration in drawing up the proposals; and
 - (ii) that the proposals are likely to lead to higher standards and better progression at the school;

Not applicable..

(d) The proposed number of sixth form places to be provided.

Not applicable.

17. Where the proposals are to alter the upper age limit of the school so that the school ceases to provide sixth form education, a statement of the effect on the supply of 16-19 places in the area.

Not applicable.

Special educational needs

18. Where the proposals are to establish or change provision for special educational needs—

- (a) a description of the proposed types of learning difficulties in respect of which education will be provided and, where provision for special educational needs already exists, the current type of provision;

Not applicable.

- (b) any additional specialist features will be provided;

Not applicable.

- (c) the proposed numbers of pupils for which the provision is to be made;

Not applicable.

- (d) details of how the provision will be funded;

Not applicable.

- (e) a statement as to whether the education will be provided for children with special educational needs who are not registered pupils at the school to which the proposals relate;

Not applicable.

- (f) a statement as to whether the expenses of the provision will be met from the school's delegated budget;

Not applicable.

- (g) the location of the provision if it is not to be established on the existing site of the school;

Not applicable.

- (h) where the provision will replace existing educational provision for children with special educational needs, a statement as to how the local education authority believes that the new provision is likely to lead to improvement in the standard, quality and range of the educational provision for such children; and

Not applicable.

- (i) the number of places reserved for children with special educational needs, and where this number is to change, the proposed number of such places.

Not applicable.

19. Where the proposals are to discontinue provision for special educational needs—

- (a) details of alternative provision for pupils for whom the provision is currently made;

Not applicable.

- (b) details of the number of pupils for whom provision is made that is recognised by the local education authority as reserved for children with special educational needs during each of the 4 school years preceding the current school year;

Not applicable.

- (c) details of provision made outside the area of the local education authority for pupils whose needs will not be able to be met in the area of the authority as a result of the discontinuance of the provision; and

Not applicable.

- (d) a statement as to how the proposer believes that the proposals are likely to lead to improvement in the standard, quality and range of the educational provision for such children.

Not applicable.

20. Where the proposals will lead to alternative provision for children with special educational needs, as a result of the establishment, alteration or discontinuance of existing provision, the specific educational benefits that will flow from the proposals in terms of—

- (a) improved access to education and associated services including the curriculum, wider school activities, facilities and equipment with reference to the local education authority's Accessibility Strategy;
- (b) improved access to specialist staff, both educational and other professionals, including any external support and outreach services;

- (c) improved access to suitable accommodation; and
- (d) improved supply of suitable places.

Not applicable.

Sex of pupils

21. Where the proposals are to make an alteration to provide that a school which was an establishment which admitted pupils of one sex only becomes an establishment which admits pupils of both sexes—

- (a) details of the likely effect which the alteration will have on the balance of the provision of single sex-education in the area;

Not applicable.

- (b) evidence of local demand for single-sex education; and

Not applicable.

- (c) details of any transitional period which the body making the proposals wishes specified in a transitional exemption order (within the meaning of section 27 of the Sex Discrimination Act 1975).

Not applicable.

22. Where the proposals are to make an alteration to a school to provide that a school which was an establishment which admitted pupils of both sexes becomes an establishment which admits pupils of one sex only—

- (a) details of the likely effect which the alteration will have on the balance of the provision of single-sex education in the area; and

Not applicable.

- (b) evidence of local demand for single-sex education.

Not applicable.

Extended services

23. If the proposed alterations affect the provision of the school's extended services, details of the current extended services the school is offering and details of any proposed change as a result of the alterations.

Not applicable.

Need or demand for additional places

24. If the proposals involve adding places—

- (a) a statement and supporting evidence of the need or demand for the particular places in the area;

There are currently 384 reception places in the area. Local demographics show a demand for reception places in the local planning area rising from 316 reception places in September 2008 to 330 reception places in September 2010. The level continues to increase until 2014 when it reaches 519. Data from the current admissions round for entry in September 2011 supports the demand for reception places. The total number of places needed is projected to exceed current capacity by 2012, continuing to rise until 2014.

- (b) where the school has a religious character, a statement and supporting evidence of the demand in the area for education in accordance with the tenets of the religion or religious denomination;

Increasing admission numbers at St Cuthbert's will help to maintain the ratio of places available in relation to the other local non-faith based schools in the area as the school population increases.

- (c) where the school adheres to a particular philosophy, evidence of the demand for education in accordance with the philosophy in question and any associated change to the admission arrangements for the school.

Not applicable.

25. If the proposals involve removing places—

- (a) a statement and supporting evidence of the reasons for the removal, including an assessment of the impact on parental choice; and

Not applicable.

- (b) a statement on the local capacity to accommodate displaced pupils.

Not applicable.

Expansion of successful and popular schools

25A. (1) Proposals must include a statement of whether the proposer considers that the presumption for the expansion of successful and popular schools should apply, and where the governing body consider the presumption applies, evidence to support this.

(2) Sub-paragraph (1) applies to expansion proposals in respect of primary and secondary schools, (except for grammar schools), i.e. falling within:

- (a) (for proposals published by the governing body) paragraph 1 of Part 1 to

Schedule 2 or paragraph 12 of Part 2 to Schedule 2;

(b) (for proposals published by the LA) paragraph 1 of Part 1 to Schedule 4 or 18 of Part 4 to Schedule 4

of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended).

The local authority does not consider that the presumption for the expansion of successful and popular schools should apply.
