

# Walking in Penrith

This plan presents the LCWIP study area. We would like to understand where pedestrian infrastructure improvements are needed to make journeys on foot safer, comfortable and more attractive.

Walking Infrastructure Improvements could include:

- Improved Crossing Facilities;
- Footway widening and resurfacing;
- Lighting to improve safety; and
- Wayfinding and signage.

## KEY

- Current Allocated Housing Site
- Current Allocated Employment Site
- Green Space
- Schools / Colleges
- Railway Station
- National Cycle Network
- West Coast Main Line
- River
- Footpath
- Bridleway
- Byway open to all traffic
