

Commons Act 2006 - Section 12
NOTICE OF APPLICATION TO TRANSFER A RIGHT OF COMMON IN GROSS

Notice is hereby given that an application has been made by **Richard Bruges Irving** ("the Applicant") to Cumbria County Council as Commons Registration Authority, under Section 12 of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register CL70 Burgh Marsh.

A summary of the effect of the application is as follows: The right to graze 10 stints (each stint being equal to one beast or 4 sheep or 2 sheep and 4 lambs) on Burgh Marsh comprising the whole of the land in this register unit (the Right") is currently registered as held in gross (not attached to land) at entry 369 of register unit CL70 in the name of Mr Thomas Williamson. The Applicant claims that part of the Right equalling 3 stints was transferred to him by way of deed on 19 April 2017. The deed does not operate at law until registered by the Commons Registration Authority in the register. The Applicant seeks by this application to complete the transfer of ownership and register part of the Right in his name.

If the application is granted, in whole or in part, the Commons Registration Authority will give effect to the determination by creating a new entry in the name of the Applicant to show them as the owner of the relevant part of the Right (making reference to the existing entry). Existing entry 369 will be annotated to show the link to the new corresponding entry.
