

Commons Act 2006 – Schedule 3
NOTICE OF APPLICATION TO AMEND THE REGISTER TO RECORD AN HISTORIC EVENT
Secondary Application - Apportionment

Notice is hereby given that an application has been made by **Mary Wood** (“the Applicant”) to Cumbria County Council as Commons Registration Authority, under Schedule 3 of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register CL10 Crosby Ravensworth Fell.

A summary of the effect of the application is as follows: The right to graze 200 ewes with followers over the whole of the land comprised in this register unit (“the Right”) is registered as attached to O.S. fields numbered 493, 811, 817, 912, 916, 919, 922, 923, 924, 928, 929, 931, 932, 933, 935, 962 and 963 at entry 5 of register unit CL10. A declaration of partial entitlement was made on 17th March 2016, and part of the Right relating to 197 ewes is now registered under the name of the Applicant at entry 88 of register unit CL10. The remaining rights are still registered at entry 5 as attached to the southern portion of O.S. 919. The Applicant seeks to show by this secondary application that, of the Right, 3 ewes with followers should be apportioned to the southern portion of O.S. field number 919.

This secondary application can only be considered if the primary application (CA14/28) is granted. If granted the Commons Registration Authority will give effect to the determination by deleting current entry 5 (making reference to the new corresponding entry) and making a new entry in the register to show the proportion of the Right currently attached to the southern portion of O.S field number 919 as severed from the land and held in gross.
