

## Commons Act 2006 - Section 12 NOTICE OF APPLICATION TO TRANSFER A RIGHT OF COMMON IN GROSS

Notice is hereby given that an application has been made by **Oliver John Beckwith and James Peter Beckwith** ("the Applicants") to Cumbria County Council as Commons Registration Authority, under Section 12 of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to common land register unit CL21 Winton and Kaber Regulated Common.

A summary of the effect of the application is as follows: The right to graze:- (a) 411 sheep or (b) such other commonable animals equivalent to 411 stints together with the right of turbary and estovers and the right to take stone and gravel over the whole of the land comprised in this register unit ("the Right") is currently registered as held in gross (not attached to land) at entry 42 of register unit CL21 in the name of Ellen Robinson. The Applicants claim that part of the Right (equalling 137 sheep or such other commonable animals equivalent to 137 stints) was transferred to them by way of a deed dated 13th March 2019. The transfer does not operate at law until registered by the Commons Registration Authority in the register. The Applicants seek by this application to complete the transfer of ownership and register the Right in their names.

If the application is granted, in whole or in part, the Commons Registration Authority will give effect to the determination by deleting current entry 42 (making reference to the new corresponding entry) and making a new entry in the register to show the Applicants as the owners of part of the Right equalling 137 sheep or such other commonable animals equivalent to 137 stints.
