

**WHO ARE WE
AND WHAT DO WE
DO?**

We work with young people who get into trouble with the law by **LOOKING** into the background of the young person and help them stay away from crime.

Through doing this we tailor individual packages of interventions and support to meet the needs of the young person, their family and the community, we also:

- **Run local crime prevention programmes**
- **Supervise young people on a community sentence**
- **Deliver reparation and restorative justice interventions**
- **Work with the young person, the courts and the police**

We are looking for volunteers from all members of society to get involved in:

- **Mentoring young people**
- **Chairing panels**
- **Supervising young people on:**
- **Reparation**
- **Unpaid work**
- **Constructive activities**

**HOW CAN
YOU HELP?**

**WE ARE ALSO
SEEKING OPPORTUNITIES
FOR COMMUNITY PROJECTS
FOR OUR YOUNG PEOPLE TO
GET INVOLVED IN**

We are continually looking for community regeneration projects or community maintenance projects to get our young people involved in and would welcome suggestions or ideas put forward from the community for the community.
