Returning to Learning

Adult Learning is simply adults engaging in education. You may be pursuing a change of direction, or simply following your passion.

This can be done in colleges or through apprenticeships, and gives you the opportunity to learn new skills, and values and to expand your knowledge.

College:

- Example of Level 2: Pathway to Care
- Example of Level 3: Diploma and Extended Diploma in Health and Social Care (Health Studies Pathway and Social Care Pathway)

Kendal College:

- Health and Social Care: Level 2
- Health and Social Care: Level 3

Intermediate and Advanced Apprenticeships

Furness College:

- BTEC Level 3 National Extended Diploma in Health and Social Care
- Diploma in Health and Social Care Level 2
- Diploma in Health and Social Care Level 3

Carlisle College:

- Level 2 Diploma in Health and Social Care
- Work Based Level 3 Diploma in Health and Social Care

Higher Education Courses

Apart from a degree, often referred to as a Bachelors, there are a variety of other Higher Education qualifications you can study.

Carlisle College:

- Access to HE Diploma - Health

Lakes College:

- Access Diploma to Higher Education - Health and Social
- Level 3 Diploma in Adult Care

Furness College:

- Foundation Degree in Health and Social Care

Higher and Degree Apprenticeships

Always check UCAS and www.apprenticeships.gov.uk/ to find any apprenticeships in your area or further afield.

Lakes College:

- Level 4 Lead Practitioner in Adult Care Standard (Apprenticeship Option)

Lancaster and Morecambe College

- Children, Young People and Families Manager
- Apprenticeship (Level 4 and Level 5)

NHS Bursaries If you're considering Nursing, it might be helpful for you to know that you can get a bursary from the NHS to help you with your studies. Nursing Students can access maintenance grants - or what is commonly known as a Bursary. You do not have to pay this back once you are a qualified nurse.
