

Commons Act 2006 - Section 15(2)

Application to register land to the west of New Croft, Wigton as a town or village green

NOTICE OF DETERMINATION

Application Number: NL0060

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority, has at a meeting of its Development Control and Regulation Committee ("the Committee") on 4th March 2020, considered an application to register land to the west of New Croft, Wigton as a new town or village green.

Decision

The Committee resolved to refuse the application, and not add the Application Land to the register of town and village greens.

Reasons

The Committee took into account a report by Commons Registration Officer ("the Officer"). The Officer's report recommended that the Committee refuse the application, on the basis that the statutory criteria to register the Application Land as a town or village green, in accordance with section 15 (2) of the Commons Act 2006 had not been satisfied.

Outcome

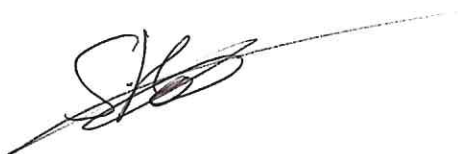

The Application Land will not be registered as a village green and the register and the register map will remain unaltered.

Minutes of the meeting providing the Committee's decision, the Officer's report and a plan of the Application Land are available at:
