

**Commons Act 2006
Schedule 3**

**Application to amend the register to record an historic event – historic apportionment
of a right of common.**

NOTICE OF DETERMINATION

Application Number: CA14/77

Notice is hereby given that Cumbria County Council, as the Commons Registration Authority (“the CRA”) has considered an application submitted by Gillian Margaret Hedworth (“the Applicant”) to amend the register to record an historic apportionment of a right of common concerning the right to graze 350 sheep over the whole of the land in register unit CL3 (“the Right”). The Right was originally recorded as attached to O.S. fields numbered 97, 98, 103, 104, 175, 206, 207, 208, 256, 307, 309, 318, 318a, 325, 325a, 336 and 352 on the O.S. map, edition of 1915 and the Applicant sought to show that the proportion of the Right relating to O.S. fields 97, 98, 256, 318 and 318a, (“the Fields”) for which severance is claimed, amounts to 64.35 sheep. The application was made in conjunction with application CA14/76 to record an historic severance of the part of the Right (“the Primary Application”)

Decision

The CRA resolved to accept the application to amend the register by registering the apportionment of the Right, showing the proportion of the Right attached to the Fields as having been apportioned in line with the Applicants’ calculations.

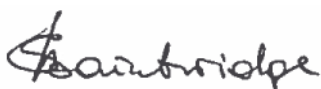

Reasons

The Commons Registration Officer assessed the application and found it to be duly made under the criteria prescribed by the relevant regulations and guidance. No objections were received to the application.

The Primary Application was accepted by the CRA.

The register for CL3 Eastern Martindale Common has been amended to show the proportion of the Right which was previously attached to the Fields as being apportioned in line with the Applicant’s calculations (before subsequently being severed from the land and held in gross), and the remainder of the Right as attached to the rest of the dominant tenement which ownership is now split between the Applicant and another party.
