Subject: THE CUMBRIA MINERALS AND WASTE LOCAL PLAN EXAMINATION IN
PUBLIC – RADIOACTIVE WASTE MATTERS AND ISSUES

Dear Representors

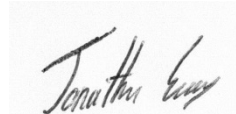

Following on from my previous correspondents informing you of the Cumbria Minerals and Waste Local Plan Examination, the Nuclear Waste Matters and Issues have now been released and are attached for your reference.

To help make practical arrangements please can you let me know if you wish to attend the examination by either; a) emailing me on: programmeofficer@urbanvision.org.uk or b) telephoning me on 0161 779 6183. Details of how further representation can be made are provided within the briefing note, previously sent, along with key dates for items to be received.

You should confirm in your response whether you wish to be heard orally at a hearing session or whether you are content to rely on written representations, both of which carry equal weight. If you have decided to withdraw your representations please indicate this in your response.

Your co-operation is greatly appreciated and I look forward to hearing from you.

Yours sincerely

Jonathan Evans
