Service Area

Short Term Interventions

The Adult Social Care Short Term Interventions Service is for people aged 18+. A primary role of this team is to work across the system to enhance prevention interventions and work to prevent or, delay admission into formal support services. This service will work collaboratively with a range of stakeholders from across the health and social care system and third sector and voluntary groups in Cumbria to ensure short term interventions (including assessment) are undertaken to ensure people are safe and supported using a strengths based approach. The team will support the admission avoidance and the discharge of people from acute and community hospitals in a safe and timely way reducing the risk of delayed transfers of care.

This service will have a key role influencing and shaping Discharge to Assess/Home first models in Cumbria, and ensuring that in all instances people are treated with dignity and respect and are central to discharge planning with a focus on achieving their most independent outcome.

Long Term Assessment and Review Service

The Adult Social Care Long Term Service is for people, aged 18+ who are living in the community and have been identified as having long term care and support needs. This service will work collaboratively with a range of stakeholders from across the health and social care system and third sector and voluntary groups in Cumbria in ways that recognise strengths, promotes independence and prevents, reduces or delays the need for formal long term care and support provision. Assessments and reviews will be undertaken in a strengths-based way that maximises the use of social capital and community based assets.

The Service will work across health, social care and third sector organisations with a primary focus upon ensuring that all support plans:-

- include robust contingency plans that promote personal resilience to manage temporary changes in need/circumstance
- demonstrate how people will meet their needs from a range of sources, including friends, family, third sector, the community, equipment or assistive technology. Personal budgets will only be allocated for the provision of formal support for identified unmet needs.

Safeguarding Service

The Adult Social Care Safeguarding Service role is to empower and protect those individual's aged 18+ to live in safety, free from abuse and neglect.

This service is responsible for the operational response to all safeguarding concerns and enquiries and will;

- Provide a face to face safeguarding enquiries service to members of the public who by reason of their care and support needs are unable to protect themselves from neglect or abuse.
- Assess the immediate risk of safeguarding concern/s and implement and develop protection plans to mitigate against such risks.
- Complete statutory safeguarding/non-statutory enquiries and reach a conclusion when neglect, harm or abuse has occurred and make recommendation of future actions.
- Work within the making safeguarding personal agenda.
- Work with key partners to enable them to complete internal enquiries where appropriate and audit the findings and actions taken as a safeguarding concern.
