<b>Service Area description</b>
Member of a business support team within Economy and Infrastructure / Corporate, Customer and Community Services / Chief Executives directorates linked to defined geographic and service areas.
<b>Purpose of this post</b>
Improve the outcomes for the people of Cumbria by planning and providing effective and efficient business administrative and financial support for E&I / CC&CS / CEX directorates to internal and external customers, including organisation of resources and provision of information.
<b>Key job specific accountabilities</b>
<ol style="list-style-type: none"> <li>1. Organise and provide responsive, flexible and, effective and efficient administrative business support within an identified area and undertake administrative tasks to support delivery of directorate services. Liaise with managers as required to support statutory timescales and requirements, and ensure confidentiality is adhered to.</li> <li>2. Liaise with customers and other stakeholders (internal and external) ensuring a courteous and professional approach to queries, including with service users who may be challenging and resolution of emergency situations at short notice. This will include communicating across various channels including, but not limited to, face to face, telephone, mail and electronic media.</li> <li>3. Support the professional, safe and secure operation of buildings ensuring the facilities for customers and building users are maintained appropriately.</li> <li>4. To plan and prioritise own work and support team working including allocating and checking work of and providing support and instruction to colleagues if required.</li> <li>5. To maintain, input, extract and report on, as required, information into and from various service specific systems including databases, spreadsheets and electronic case recording systems, (including financial information and budget reports). To provide information and respond to queries from external and internal customers, and in doing so, undertake problem solving, maintain data integrity and ensure information is managed in a secure way.</li> </ol>

6. To support service development through making recommendations for improvement which are relevant to the specific service area, including systems and procedures.
7. Provide support to identified service specific statutory and non-statutory meetings, panels and events including taking notes or minutes that record the meeting accurately, preparing papers, scheduling and organising, this may include organising transport arrangements.
8. Monitoring, reconciling and processing financial transactions including using E-procurement , ordering general catalogue goods and hire cars, service specific purchasing and receipting, as well as monitoring and identifying potential errors with invoices, verifying payments, petty cash management, and E5 payments.
9. Support the organisation in an emergency response as required, and undertake fire warden duties

Depending on the service area the requirement will vary, however a standard approach and service delivery will be required.
