Service Area description

The support at home service is part of People and is provides both domiciliary and reablement service as part of the wider provider services team. The domiciliary service operates during the day and at night, the team of support workers provide a service to individuals based on a strength based support plan which will identify tasks and assistance required to enable activities of daily living to be undertaken within individuals own home.

Reablement is a short term intervention which operates during the day; its purpose is to maximise independence for individuals, this is done through the creation of a support plan which identifies goals for individuals to work towards.

Purpose of this post

To support with activities of daily living, enabling individuals to remain in their own homes. This involves the delivery of compassionate and caring support to meet the assessed needs of the service user, as identified in their individual strength based support plan. Making sure that they have choice of how they receive support required whilst ensuring dignity and respect at all times within the environment in which they choose to live.

Key job specific accountabilities

1. In line with the strength based support plan, provide caring, compassionate, personal, social and emotional support to adults in the community. This is varied and personalised and may include support with personal hygiene, getting in/out of bed, meal preparation, nutrition and hydration, administering medication and supporting with any other identified needs.
2. Safeguarding the security and welfare of the service user. Report and act in line with safeguarding policy and guidance. To escalate and seek appropriate support from other professionals such as GP's, supervisors or emergency services as and when the situation demands. This could include periods of ill health or concerns around safeguarding
3. Using effective communication skills; work with the supervisor, manager and colleagues on a daily basis to ensure that the needs of the service users are met and any changes are appropriately communicated, accurately recorded and acted upon as necessary. PG 7019 People Care and Development Cumbria County Council
4. To complete all mandatory training and take responsibility for highlighting any additional specific training needs which would benefit both staff member and service user, feeding this information back to the support at home supervisor. Attending supervision, appraisal and bi monthly team meetings as required to ensure robust communication between staff, allow team brief to be cascaded and the sharing of best practice.
5. Throughout all work activities, promote and demonstrate best practice at all times in accordance with Cumbria County Council's policies and procedures. Ensuring adherence to the Care Quality Commission and other regulatory bodies requirements.
- 6.

Please note annual targets will be discussed during the appraisal process
