<p>Service Area description</p> <p>‘Team Barrow’ is a trilateral partnership between Westmorland & Furness Council, central government and BAE Systems. Our objective is to enable Barrow to be a new powerhouse for the north, expanding BAE Systems’ defence capability, supporting energy security, and revitalising Barrow and the Furness peninsula as a place where people choose to live, work, and thrive. We are working to secure investment and regeneration driven by workforce growth.</p> <p>The Team Barrow Programme Management Office (PMO) is part of the Assistant Chief Executive’s functions and is responsible for supporting the delivery of priority programmes. The post holder will report directly to the Programme Director – Major Projects & Regeneration.</p>
<p>Purpose of this post</p> <p>This is a strategic leadership and management role, overseeing the shaping and delivery of a Team Barrow workstream. Five workstreams have been identified to drive forward initiatives and report to the Barrow Delivery Board:</p> <ol style="list-style-type: none"> 1. Economy, Masterplanning and Place 2. Transport 3. Education, Employment and Skills 4. Health, Equality and Wellbeing 5. Community and Social Impact <p>Working with Team Barrow colleagues, internal and external stakeholders, the Portfolio Holder(s), Furness Locality Board, and service leaders, the successful candidate will develop business cases and strategies to shape how the projects will be delivered within the workstream, in line with the vision and objectives of the Delivery Board. This will be influenced through highly effective engagement with existing and new partners, including those from the private, public and voluntary sector and will involve complex and particularly difficult challenges to be overcome with relevant stakeholders to seek full support of project outcomes and enable successful delivery.. Cross directorate working will be critical in shaping how projects will be delivered in a cost effective and efficient manner.</p> <p>A key element of the role will be to provide strategic management and technical expertise to ensure projects are delivered effectively and remain innovative and efficient.</p>
