### Service Area description

The Capital Programme team is responsible for the delivery of Westmorland and Furness Council's approx. £60m p.a. capital programme and supports the delivery of significant elements of the Westmorland and Furness Plan. Delivering capital investment on behalf of a broad range of internal and external customers through a diverse range of projects and programmes including differing asset types and significant variations in scale.

### Purpose of this post

- Lead the development and delivery of significant projects and programmes including contributing to the delivery of the Westmorland and Furness Council Plan or allied strategies and plans.
- With light touch support from the Capital Portfolio Manager design, build and manage exemplary programme and project delivery environments across any or all stages of programme life-cycle.
- Lead the procurement and management of major contracts or multiple smaller contracts at any or all programme life-cycle stages from initial feasibility to completion and asset handover. This will include the procurement and management of capital works contracts and service contracts.
- Lead and manage a high performing project and programme management team.
- Actively manage, develop and mentor team members.

### Key job specific accountabilities

1. Drive project and programme delivery across significant portfolio's of capital works. Adopting a balanced and rigorous approach to active risk management and escalation.
2. Leading compliance activity across an extensive and potentially diverse programme of projects ensuring all relevant statutory requirements, financial controls, standing orders, procurement procedures, contract requirements and grant conditions and fully complied with.
3. Be a project and programme management expert taking the lead on thematic delivery strands within the portfolio.
4. Actively participate in the continuous improvement and development of increased efficiency of Westmorland and Furness Council by pro-actively sharing programme management expertise and promoting a culture of high quality programme delivery.

5. Manage and participate significantly in senior stakeholder engagement across a wide diversity of internal and external stakeholders including communities, elected members, senior officers, partner agencies, local businesses and central government.

**Please note annual targets will be discussed during the appraisal process**
