#### Service Area description

Cumberland Programme Management Office (PMO) is within the Business Transformation and Change Directive and is currently split into 4 core components of Transformation, Assurance, Disaggregation and Capital.

The Programme Management Office supports ways of improving, governing, controlling, and assuring investment and change within the Council, leading by example and helping others to accomplish it. Work led by the transformation team will deliver the Council Plan priorities of putting health and wellbeing at the centre of everything we do, building inclusive economy, having a fairer society, protecting our environment and ultimately, delivering great public services.

#### Transformation programme vision

"Achieving long-term financial sustainability, and delivering high-performing services for our residents through implementation of an effective operating model."

The transformation programme is driven by the following themes:

**People and culture** - Setting culture, capability, values, relationships; workforce planning; systemic approach to driving performance.

**Technology** - Efficient joined-up systems and processes, enterprise architecture, innovation through technology, data and insight.

**Operating model** - Managing demand; prevention; early engagement; pre-front door; self-service; continuous improvement.

#### Purpose of this post

To deliver an effective, efficient and customer focussed support to all aspects of the management and administration of projects/programmes.

Working with colleagues across the county and district councils to develop and deliver project / programme objectives through planning, co-ordination, progress monitoring and support.

To organise meetings and workshops ensuring good administration and timely event planning for the successful delivery of each event and good coordination with attendees.

#### Key job specific accountabilities

1. Lead the provision of professional project/programme support to sponsors/owners and teams on a number of allocated project/programmes.
2. Establish consistent, fit for purpose processes and working practices across the project/programme team for key project processes such as status reporting, planning, risk/issue management etc, in line with the programme management office project management methodology and associated tools, and promote the value and benefits of these.
3. Collect, analyse and report on project specific information to meet stakeholder requirements, updating routine monitoring data and generally maintaining programme data and information.
4. Provide assistance to the project/programme team in the use available software tools for document/information management and project/programme reporting etc e.g. Teams, SharePoint, PowerPoint, Word, Excel etc.
5. Be proactive in identifying opportunities for improvement and/or simplification of project processes and seek to implement these, sharing good practice across the programme.
6. Establishing and maintaining an effective business-like relationship built upon trust, integrity and reliability in a specific area of the programme, with project sponsor/owners, wider service managers, elected members, partners, and other external organisations, demonstrating excellence of project/programme support, administration and customer service.
7. Provide support to the programme staff in planning and organising project/programme boards, workshops, events etc and provide direct support to meetings, where required.
8. Carry out any other duties which fall within the broad spirit, scope, and purpose of this job description and which are commensurate with the grade of the post.

**Please note annual targets will be discussed during the appraisal process**
