

Apprenticeships

We'll take you further

Parent fact sheet

A guide to Council Apprenticeships for parents and carers

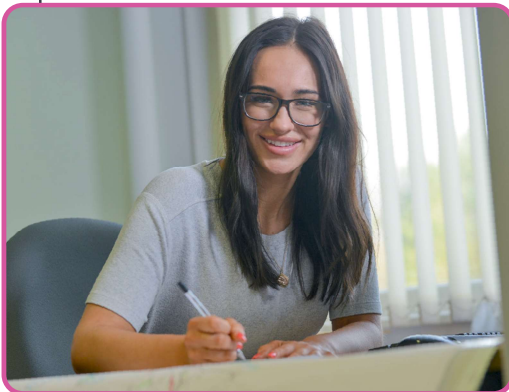

An apprenticeship is a great way for your young person to start their career. They can earn whilst they learn and gain practical experience alongside a nationally recognised qualification.

Benefits of our Apprenticeship Scheme

- ▶ Earn a salary
- ▶ Gain real life work experience
- ▶ Access to Council employee benefits including staff discounts
- ▶ Excellent career progression opportunities
- ▶ Access to jobs only available to Council staff
- ▶ Qualifications up to degree level
- ▶ Flexitime for a good work/life balance (may vary depending on the role)
- ▶ Home working options
- ▶ Avoid debt from student loans and university fees.

Salary and benefits

- ▶ National Minimum Wage for Apprentices
- ▶ Up to £15 a week towards travel to work
- ▶ Apprentices aged 19 or over, and in their first year, will be entitled to the National Minimum wage rate after 12 months
- ▶ Apprentices can apply for other Council jobs during their apprenticeship, and successful candidates can start their new job whilst completing their qualification
- ▶ Student discount on many shops and gyms (e.g. NUS/ UniDays).

Age range

Anyone aged 16 or over can apply although Level 4 and Firefighter apprentices need to be 18 years old.

Supporting our apprentices

We help all our apprentices to build their confidence and find passion in a new career. Our apprentices receive one on one support from a range of professionals throughout their apprenticeship, including:

- ▶ **Apprenticeship Officer** – All new apprentices have a dedicated officer from the Council's Apprenticeship Team.
- ▶ **Line manager** – Apprentices also have a line manager to guide them through the specifics of their job, undergo appraisals and help to manage their workload.
- ▶ **Mentor** – Their mentor provides guidance and support to help apprentices through their qualification.
- ▶ **College tutor** – Their tutor helps to keep them on track throughout their qualification.
- ▶ **Other apprentices / Cumbria Apprentice Ambassador Network** – Having access to a large network of apprentices who are going through the same process gives the opportunity to share experiences and learn from others.
- ▶ **Colleagues** – We take pride in the support we provide to our colleagues, including our apprentices, who often comment on the fantastic relationship they have with their team.
