

Select & Collect • Booking Form

To help us choose your Select & Collect selection, please complete this form with as much detail as possible - the more information you give us, the closer our selections will match your tastes.

Please complete a separate form for each person requesting a Select & Collect selection, and then email to your collection library. If you would prefer to speak to a member of staff then please contact your collection library when their phone-line is open. Library email and phone contact details can be found on the Select & Collect webpage cumbria.gov.uk/libraries/selectcollect

Each selection will include up to 6 items. Please specify any favourite authors or particular categories of books you would like selected. Please also specify if you would like to receive large print only, or talking book only, or, if you are happy with a mixture of any format.

We regret that we are not able to fulfil requests for specific titles at the moment.

Once we have received your completed form(s) a member of Library staff will be in touch to arrange a collection time. You will need to bring a bag with you when you come to the library to pick up your Select & Collect collection, as they are not provided.
