

**A592
Road Safety
Improvements
Virtual Public
Information
Sessions**

Cumbria County Council will be holding virtual public information drop-in sessions to update local businesses and residents on the plans for Road Safety Improvements on the A592 between Rheged and Windermere.

We are planning to hold virtual drop-in sessions on the following dates and times:

Tuesday 8 June between 10:30am – 11:00am

Tuesday 8 June between 11:10am – 11:40am

Tuesday 8 June between 11:50am – 12:20pm

Friday 11 June between 1:00pm – 1:30pm

Friday 11 June between 1:40pm – 2:10pm

Friday 11 June between 2:20pm – 2:50pm

To help us manage numbers at these sessions, we would ask that you please email the A592 mailbox (A592@cumbria.gov.uk) and confirm your name, email address and which session you would like to attend. You will then be sent a link to a half hour slot on MS Teams for your preferred date and time.

As restrictions ease following the 21 June, we are planning to host a number of face-to-face public information sessions which will take place in suitable locations (within COVID secure guidelines) along the A592. Information about these sessions will be uploaded onto the Cumbria County Council Safer Roads website: www.cumbria.gov.uk/roads-transport/highways-pavements/highways/saferroads

The information will also be circulated to the local parish councils for publishing in their local newsletters and to local businesses within the area. We will also post information on these sessions on local noticeboards as well as via social media.

If you have any queries in the meantime, please visit our website www.cumbria.gov.uk/roads-transport/highways-pavements/highways/saferroads or email the A592 mailbox (A592@cumbria.gov.uk).
