The County of Cumbria (various roads,  
South Lakeland area )(consolidation of  
traffic regulations)(order 2002) (New Street, Broughton-in-Furness) variation order 2021

Statement of Reasons

*(As amended by South Lakeland Local Committee decision of 17 March 2021)*

Cumbria County Council considers that it is expedient to propose to make the above Order for the following reasons: -

- for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or
- for preserving or improving the amenities of the area through which the road runs

The proposals, as shown on the plans, are as follows: -

Proposed “No Waiting at Any Time” - New Street, Broughton-in-Furness

Cars regularly park on the north-west side of New Street right up to the give way markings with Griffin Street.

Concerns have been raised regarding such parking causing visibility issues at this junction.

This can make it difficult for road users to proceed safely.

No Waiting at Any Time (double yellow lines) restrictions are proposed to assist with visibility and turning movements into and out of the junction.

*Local Committee Decision*

*South Lakeland Local Committee approves the bringing into operation of The County of Cumbria (Various Roads, South Lakeland Area) (Consolidation of Traffic Regulations) (Order 2002) (New Street, Broughton-in-Furness) Variation Order 2021 in its entirety, having taken into account the objections and representations which were received, and having also taken into consideration the matters contained in Section 122(2) of the Road Traffic Regulation Act 1984 which are more specifically referred to at paragraph 7.2 of the Working Group report attached as Appendix 5 to the report.*
