

**STREET WORKS PERMIT
TO PLACE OR WORK ON A PRIVATE SEWER IN THE HIGHWAY
NEW ROADS AND STREET WORKS ACT 1991**

To avoid delays with your application, please check the following -

Application Section 1

- 1) Application details of the owner of the apparatus
- 2) Postcode added.
- 3) Valid contact numbers are given (in the event the inspector requires site meeting)
- 4) Email address, if possible so we can email the permit back to you

Section 2

- 5) Full address of property to be served by the sewer is stated on the form including postcode.
- 6) Description and location of sewer is detailed on the form
- 7) You have allowed up to 4 weeks for your proposed start date.
- 8) A plan scale 1:2500 or greater of the proposed location of the relevant apparatus marked by a **red broken line** is enclosed.
- 9) A copy of the approval from United Utilities to connect into their sewer - 'S106 Part 1 application to connect to a public sewer approval notice'

Section 5

- 10) Application is signed by the owner of the sewer
