**Easter
Holiday
Activities**

We might not be able to welcome you into the library again just yet, but we would love you to join us for our free school holiday online activities. We've got a great mix of stories, poems, drawing, and even the opportunity to ask an author what it's really like to do his job.

All the activities are online and free. You can book a place on sessions with Jamie Normington, Dan Freedman, Paul Cookson and Liz Million at [Cumbria Libraries Events | Eventbrite](#)

You'll find all the other sessions on our Cumbria Libraries Facebook page www.facebook.com/CumbriaLibraryService/ on the days and times shown below – no need to book for these events.
