

Take part in
Active Travel's

Scooter Skills Challenge

and Win a Scooterpod for your school

To take part in The Scooter Skills Challenge all you need to do is organise a Scooter Skills course for as many children as possible. This can be during PE lessons, at lunchtime, after school or during a focus Road Safety week, in fact any way you want!

Lesson plans are available to download from www.cumbria.gov.uk/activetravel - a single one hour session and also the Levels version for Years 1-6.

When you've completed the course simply fill in and return the Course Delivery Information form – this tells us when and how you ran the course, how many children took part and whether it has increased scooting to school. Then email it to Judith: judith.aris@cumbria.gov.uk

Your school will then be entered into a prize draw to win a scooterpod

Closing Date 5 July 2019
