**Keswick Reminder WW1 Soldier Index 30 Jul 1915-8 Nov 1918 & 10 Jan 1919-31 December 1927**

Note- This starts from 30 June 1915 as that is the first known surviving edition of the newspaper. There were no pictures published at all in this newspaper at that time which was then a free newspaper. This explains the apparent lack of detailed war news as it relied on advertising revenue
