### MUNCASTER SOLDIER, KILLED.

Mrs. Edward Wardle, Brankinwall, Muncaster, has received the sad intelligence that her husband, Gunner E. Wardle, R.F.A., has been killed in France. Previous to joining up in the Derby group Gunner Wardle was head-gamekeeper on the Muncaster Castle Estate, and was expected home on leave shortly, having for a second time been out in France over a year, but a letter written by a comrade to his wife has been forwarded to Mrs. Wardle stating that Gunner Wardle was killed by an enemy shell. No official intimation has been received. Gunner Wardle during his period of service at Muncaster had made many friends, and was well respected in the district. He leaves a widow and five children.

## MILITARY CROSS FOR LIEUT. LOWERY, WHITEHAVEN.

The name of Lieut. H. F. S. Lowery, son of Mr. John Lowery, 61, Church Street, Whitehaven, and of the Royal Scots, appears as the winner of the Military Cross in Army Orders by General Sir Herbert Plumer, commanding the Second Army in France; and he received on the 7th August, inst., the usual congratulations of the General:—"I congratulate you on the gallant action by which you have won the Military Cross. Lieut. Lowery was formerly a pupil teacher at St. James's School, Whitehaven; and was at St. Paul's College, Cheltenham, when the war broke out and he volunteered for service in the Army in September, 1914. He was wounded in 1915 and again in 1917. Returning from service in South Africa last year, the vessel in which he was returning to Europe was torpedoed, and he lost everything he had except his life. This is rather exceptional experience of the various risks of the war, and his friends in Whitehaven are delighted to hear of the honour he has won.

## AN EGREMONT SOLDIER PRESUMED KILLED

Mr and Mrs Cartner of North Road, Egremont, have received official information that their son, Ernest Cartner, is presumed killed. Pte Cartner joined the Loyal North Lancs when he was 18 years of age. After only three months' training he was drafted to France, being not then 19 years of age. During one of the engagements he was slightly wounded. After the great battle on October 26<sup>th</sup>, 1917, he was reported missing, but his parents and friends lived in hope that he was a prisoner. From that time no word has been received until last Friday when his parents received the official news as above. Pt Cartner was only 20 years of age, and was very popular in Egremont and district where he was well known. After completing his schooling at Bookwell Schools he was employed by his uncle. Mr Robert Cartner, butcher, and being of a cheery disposition and willing to oblige he soon became a favourite with all he come in contact with.

### BECKERMET SOLDIER KILLED IN FRANCE.

The many friends of Mr. and Mrs. Robert Moffat, Croft End, Beckermat, will deeply sympathise with them and their family, in the loss of their second son, Private Stanley Moffat, of whose death they have just received notification. The news was conveyed by letters from his Captain and the Wesleyan chaplain of his battalion.

Pte. Stanley Moffat was educated at Beckermat School, and until he left home was a member of the Church choir, and was also a member of the Egremont Harmonic Class. On completing his apprenticeship with the Egremont Co-operative Society he went to Burnley, where he was for three years, afterwards to Chester, and on the outbreak of war joined the Denbighshire Hussars. For some time he was engaged in the Home Defence Army, but was transferred to France early in 1917. He formed one of the contingent sent to Italy in October of that year, and his letters home were most interestingly descriptive of both people and country. Transferred to the 15th Hants, he was returned to France, in March of this year, to share in the Titanic struggle there. The letters show how well he bore his part. He now sleeps with the brave.

## DEATH OF CALDERBRIDGE SOLDIER FROM WOUNDS.

The sad news has been received by Mrs. Gunson, of Mill House, Calderbridge, of the death of her son, Corpl. Mossop Gunson, Army Service Corps, from wounds in France on August 10th. Sister Katherine Reed, of the 2nd Canadian Casualty Clearing Station, writing August 11th, in a sympathetic letter, says: "He came into this Station very badly wounded in the head on August 8th. He was operated on at once and lived till 4-40 p.m., August 10th, but never regained consciousness." Corpl. Gunson, who was 33 years of age, was the second son of the late Mr. D. H. Gunson and Mrs. Gunson, and previous to enlistment was employed with his father in the joinery business at the Saw-mill, Calderbridge. He joined the Army in April, 1916, and sailed for France in September of that year, where he has been ever since, and had been expecting to obtain leave to visit home shortly. Corpl. Gunson was of a quiet and unassuming disposition, always cheerful and willing to oblige and was deservedly popular with all who knew him. Before joining up he had spent all his life in the village, was educated at the village school, and he was a member of the Calderbridge Cricket Club. His death will be much regretted by a large circle of friends, and much sympathy felt with Mrs. Gunson and family in their great loss.
